

Dedicated Concussion Clinic

OPENING AUGUST 22 ON THE WAKEMED RALEIGH CAMPUS

Is it a concussion? Is it safe to continue play?

Concussions can be a serious matter when not properly managed.
Stop guessing and get definitive answers.

Goals of the Clinic

- > Diagnose concussions
- > Provide follow-up care of concussion patients
- > Determine when it is safe for athletes to return to play (As mandated by the North Carolina High School Athletic Association)

Criteria for Admission

- > Recent sports-related head trauma (within 2 weeks)
- > Age 10 to 17 years old
- > Purpose is to assess patient to determine return to play

Our Team

Under the leadership of a Pediatric Neurologist, our team includes:

- > Occupational therapists
- > Physical therapists
- > Speech language pathologists

Services

- > History and neurological exam
- > Neurocognitive and functional assessments including:
 - Immediate Post-Concussion Assessment and Cognitive Testing (ImPACT Testing)
 - Balance testing
